

Kosciusko REMC, based in Warsaw, Indiana, is a not-for-profit electric cooperative providing electricity to over 18,000 northern Indiana families, businesses, schools and farms. We serve portions of areas in Kosciusko, Fulton, Marshall and Wabash counties. Kosciusko REMC consistently provides members with one of the lowest residential rates in Indiana, has invested in technologies that maintain a steady and safe source of power, and have been committed to helping our communities grow and prosper. Our culture reflects the cooperative philosophy, as we are owned by those who work and live in our communities.

Kosciusko REMC is seeking an individual to work in our Line Department as a Groundman Equipment Operator. The position requires operating a line truck and trencher/backhoe to set and remove poles; load and unload material and equipment; and trenching. Individual will furnish essential ground service and assistance to the Line personnel in the construction, maintenance, and operation of the electric system.

REQUIREMENTS:

- High School graduate or equivalent
- You are required to have a valid Commercial Driver's License (CDL), or be able to obtain one.
- Position will require emergency work after normal working hours.
- Must be willing to reside within 10 miles of the Kosciusko REMC facility.
- Be able to pass a pre-employment drug test, physical and background check. This position is subject to random drug and alcohol testing consistent with DOT regulations and Kosciusko REMC policies.

CULTURE AND BENEFITS:

We provide training and professional development to further your career goals, yet our size enables you to maintain a personal connection with fellow employees. Our employees are our most valuable asset, so we offer an excellent benefits and wellness package.

Please mail or email your resume by Tuesday, July 31, to:
