

## Staking Technician

Dubois Rural Electric Cooperative, Inc. is currently seeking qualified candidates for a full-time Staking Technician.

The successful applicant is to investigate, survey, stake, plan and outline changes in electrical distribution facilities in accordance with RUS construction specifications.

### Skill Requirements:

- Strong oral and written communications skills
- Excellent teamwork and interpersonal skills

### Experience and Education Requirements:

- Microsoft software (Word, Excel and Outlook)
- Associate's degree (A. A.) or equivalent from two-year College or technical school with electrical engineering emphasis or three to five years related experience and/or training.

Employment applications and job description may be obtained at our office located at 1400 Energy Drive, Jasper or on-line at [www.duboisrec.com](http://www.duboisrec.com). Please send the completed application along with resume including references no later than Wednesday, December 19, 2018 to Dubois REC, Attn: HR Dept., P.O. Box 610, Jasper, IN 47547.
