October 11 Projects

Boone REMC
• Assist with several projects at Sunshine Social Club, including weeding, tree trimming and cleaning.

Henry County REMC
• Family fun community-wide event. Includes blood drive, flu shots, child protection/identification indexes, safety demos, recycling opportunities and more. Free food and activities.

Jackson County REMC
• Staining picnic tables, a desk and a gazebo and trimming pine tree branches at Hayden Historical Museum.

Jay County REMC
• Painting and building a new fence at Swiss Heritage Village.

Kankakee Valley REMC
• Making and installing reflective mailbox address signs for consumers.

Kosciusko REMC
• In partnership with two local businesses, providing breakfast and lunch to the staff at two local educational organizations. Also providing classroom supplies.

NineStar Connect
• Assisting at multiple locations throughout the service territory performing a variety of tasks such as painting, landscaping, tree trimming, floating bridge construction and information technology work.

RushShelby Energy and Whitewater Valley REMC
• Two electric cooperatives partnering to support the Connersville Parks Department, which both co-ops serve: painting a gym, windows and doors at the pool, and resetting a playground border at the park.

South Central Indiana REMC
• Volunteering at Peden Farm Fest in rural Bloomington. Festival allows area school children to experience life on a family farm.
• Starting the “Shedding Light on Hunger” program to give consumers an energy efficiency kit in exchange for three non-perishable items to be donated to a local food pantry.

Southeastern Indiana REMC
• Cleaning trails, building trails, splitting wood, painting and electrical work at Versailles State Park.

Other Community Day Projects

Bartholomew County REMC
• Paper shredding and recycling event.

Carroll White REMC
• On Oct. 16, assisting the Wabash and Erie Canal Park.

Clark County REMC
• October through December holding food drive to benefit local pantries.

Decatur County REMC
• On Oct. 18, clearing overgrown brush and trees from the walking trails at Decatur County Parks and Recreation.

Dubois REC, Inc.
• Held paper and electronic recycling event July 19.

Fulton County REMC
• In May, rewired the goat barn at the Fulton County fairgrounds.
• Helped wire and set new service for new concession stand at Fulton County Soccer League.
• Rewired electric service for the Rochester Little League.

Harrison REMC
• Participated in the Sept. 28 Harrison County Repair Affair, a day for community organizations to collectively work on community improvement projects for low income residents.

Continued
Hendricks Power Cooperative
• On Oct. 2-3, built a gazebo at the Sensory Garden at Sycamore Services, a local non-profit that offers services to adults and children with intellectual and developmental disabilities.

Jasper County REMC
• On Oct. 22-23, providing emergency responder electrical safety demonstrations.

Jay County REMC and Whitewater Valley REMC
• On Sept. 13, two electric cooperatives partnering and trimmed trees, landscaped, painted and cleaned out a barn at the Randolph County Historical Society.

Marshall County REMC
• On Sept. 12, provided a safety presentation to first responders at a Culver Young Farmers event.

Noble REMC
• On Aug. 22, painted, stained, completed electrical work, trimmed trees, cleaned, hung ceiling tile and more for a new community/recreation center in Albion.

Northeastern REMC
• On Oct. 25, will replace lighting, repair fencing, paint buildings, add stone in various areas, replace batting cages and nets, erect a park sign and more at Northeastern REMC field in Larwill.

Orange County REMC
• On Oct. 18, offering a member appreciation day with free lunch and safety demonstrations.

Southern Indiana Power
• On Nov. 1, replacing mulch, painting playgrounds, painting blacktop games and preserving a log cabin at two local elementary schools.

Tipmont REMC
• On Sept. 18, donated equipment and tree trimming at a veteran’s home in Lafayette as part of the “Saluting Branches 2019” event. Included removing and trimming trees, planting trees, mulching trees, stump grinding, and more.

WIN Energy REMC
• On Oct. 2, worked at Patoka River National Wildlife Refuge cleaning up hiking trails around the refuge.
